PROFESSIONAL  
PREMIUM  
TISSUE STIMULATOR

## What is Sensi Face Lift?

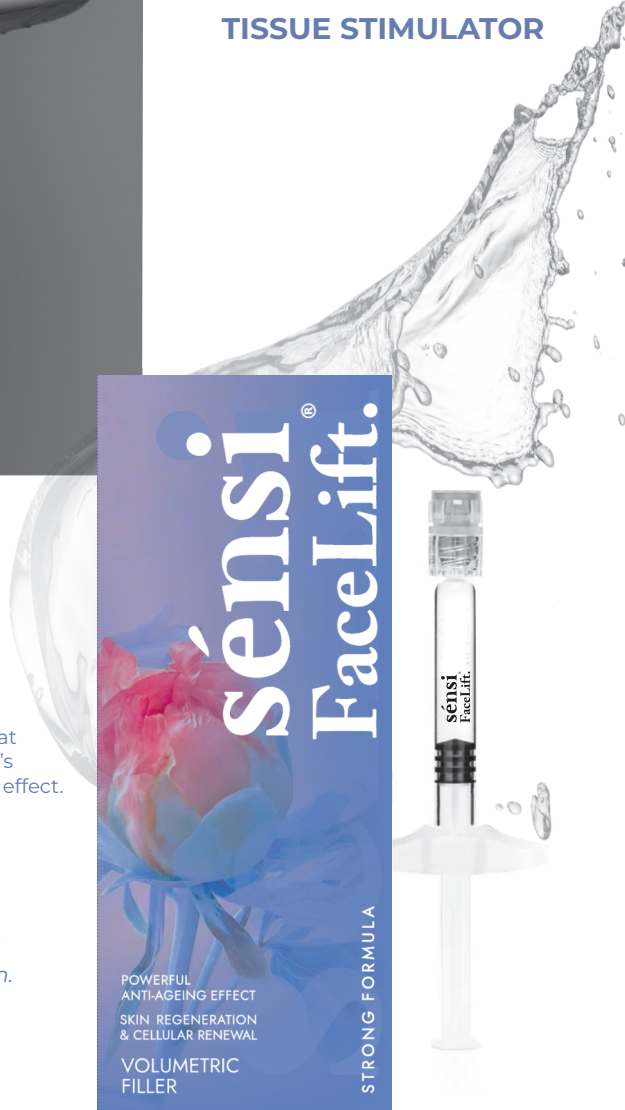

Do you feel like creams and massages  
are no longer enough?

Sensi Face Lift is a modern stimulator that  
works biologically – it activates your skin's  
natural regeneration, without the "overdone" effect.

- Hydrates
- Protect
- Restores radiance

*For your skin that needs something  
more to look fresh and healthy again.*

POWERFUL  
ANTI-AGEING EFFECT  
SKIN REGENERATION  
& CELLULAR RENEWAL

VOLUMETRIC  
FILLER

STRONG FORMULA

## Unique formula (per 1 ml):

Hyaluronic acid – 25 mg/ml  
(high-molecular):  
**INTENSIVE HYDRATION**

Hyaluronic acid – 25 mg/ml  
(low-molecular):  
**DEEP ELASTICITY**

Polynucleotides (PDRN) – 10 mg/ml  
**COLLAGEN STIMULATION**

Trehalose – 10 mg/ml  
**PROTECTION AND REGENERATION**

**RESULT**  
instant glow  
+ long-term improvement of skin quality

## How to use it?

### INDICATIONS

- Loss of skin firmness and density
- Wrinkles, lines, dryness | Tired, dull skin
- Anti-aging prevention

### AREAS

- Body, face, neck, décolleté, hands

### TREATMENT PROTOCOL

- 3 sessions every 3–4 weeks
- Maintenance session every 3–6 months

### PACKAGING

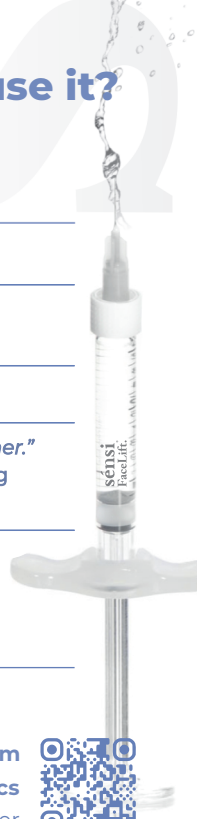

- 1 ampoule-syringe, 3 ml | Sterile | Single-use

### WHO IS IT FOR?

- For anyone who says: *“I want to look like myself – just fresher.”*
- Ideal for dehydrated, dull, tired skin, showing signs of aging or after intensive treatments.

### BENEFITS

- Noticeable skin firmness and density
- A natural glow without the “overdone” look
- Reduction of wrinkles and improved skin tone
- Support for skin at any age
